

## **Post Graduate Diploma in Healthcare Management & Administration (Full Time)**

### **Background**

Opportunities (both job and entrepreneurship) for the medical, nursing, pharmacy, science and students from other streams are increasing in the rapidly growing healthcare industry in India. This industry offers attractive career opportunities both in terms of salary and long term professional growth. Cliniminds offers PG Diploma in Healthcare Management and Administration which would enable you to work successfully in the healthcare industry or even set up your own healthcare business.

### **Indian Healthcare Industry**

The healthcare industry in India, which comprises hospital and allied healthcare sectors, is projected to grow 23 per cent per annum to touch US\$ 77 billion by 2012 from the current estimated size of US\$ 35 billion, according to a leading bank and an industry body report published in November 2009. According to the study, the growth in the sector would be driven by healthcare facilities both in private and public sectors, diagnostic (imaging and pathology) and the health insurance sector. An increasing number of public and private healthcare facilities are expected to boost demand for the industry, accounting for another US\$ 6.7 billion in this period. As per a study by an industry body and Ernst & Young, India would require another 1.75 million beds by the end of 2025. The public sector however is likely to contribute only around 15-20 per cent of the required US\$ 86 billion investment. The corporate India is therefore, leveraging on this business potential and various health care brands have started aggressive expansion in the country.

### **Health Insurance**

Health Insurance is going to be a key growth driver for the Healthcare industry. According to the Yes bank and an industry body report published in November 2009, the medical insurance sector would account for US\$ 3 billion by 2012. Government of India's Rashtriya Swasthya Bima Yojana would significantly help in growth of the health insurance sector.

### **Corporate Investments**

Major healthcare and corporate groups are investing significant resources to set up new hospitals and healthcare facilities. Some of the major investors are Apollo, Fortis, Hindujas, Sahara, Emami, Apollo Tyres, Panacea, Paras, Max Healthcare, Columbia Asia, Reliance, Naryayana Hrudayalaya, Nova, Quest, Kailash Hospitals.

### **Medical Tourism**

Medical tourism is going to be a key driver to the growth of the healthcare sector, and add healthy profits to the bottom line. Higher costs of treatment in the developed markets are forcing patients to look for destinations which offer high quality medical treatment yet at lower costs. As per the market research report, India's share in the global medical tourism industry will climb to around 2.4 per cent by the end of 2012. Moreover, medical tourism is expected to generate revenue of US\$ 2.4 billion by 2012, growing at a CAGR of over 27 per cent during 2009–2012. The number of medical tourists is anticipated to grow at a CAGR of over 19 per cent in the forecast period to reach 1.1 million by 2012.

### Government Initiative

The Government launched the National Rural Health Mission (NRHM) in 2005. It aims to provide quality healthcare for all and increase the expenditure on healthcare from 0.9 per cent of GDP to 2-3 per cent of GDP by 2012.
