DIABETES EDUCATION ACADEMY

An ISO 9001:2000 Certified Academy

CLINIMINDS COLLABORATES WITH DR. MOHAN'S DIABETES EDUCATION ACADEMY TO OFFER CLINICAL RESEARCH EDUCATION & TRAINING PROGRAMS IN CHENNAI

Cliniminds - www.cliniminds.com is pleased to announce its collaboration with Dr. Mohan's Diabetes Education Academy (DMDEA) - www.drmohansdiabetes.com, to offer Cliniminds Clinical Research educational and training programs in Chennai, Tamil Nadu. Dr. V. Mohan is an internationally acclaimed diabetologist and his research centres are playing critical role in the diabetes research in India. Cliniminds, with its 100% placement record in the industry, would also provide students with strong placement support. Cliniminds' Chennai centre would be inaugurated at 4.00 p.m. on 18th December 2010 at:

Dr.Mohan's Diabetes Education Academy
(A unit of Dr. Mohan's Diabetes Specialties Centre)
No 6B, Conran Smith Road, Gopalapuram, Chennai-600086

Website: www.drmohansdiabetes.com; www.cliniminds.com;

Contact : Dr. J Vijay Venkatraman

Mobile : 94422 25311

Email : chennai@cliniminds.com

The Cliniminds Chennai Centre would be inaugurated by **Mr. S. Sivakumar, Vice President, Central Services, ICON Clinical Research, Chennai**. **Dr. Vikram Kukkadri, Clinical Safety Monitor, Abbott Healthcare, Bangalore** will felicitate the function. **Mr. Kamal Shahani, Managing Director, Cliniminds** would also make presentation on the Career Opportunities in Clinical Research for the participating students. **Dr. J Vijay Venkatraman, Pharmacovigilance Physician and Head - Cliniminds Tamil Nadu & Puducherry**, would also be available on the occasion to interact with the students.

According to Dr. V. Mohan, *"these programs offer unique blend of classroom and hands on practical training and would prepare students according to the needs global clinical research companies"*. According to Mr. Kamal Shahani and Dr. J. Vijay Venkatraman, *"Under this collaboration Cliniminds and DMDEA would also offer specialised Diabetes Clinical Research Programs jointly on national basis."*

Following programs are being launched at the Chennai Centre:

- Post Graduate Diploma in Clinical Trials Management – Fulltime – 1 year
- Advanced Post Graduate Diploma in Clinical Research & Pharmacovigilance – Weekend – 6 months
- Post Graduate Diploma in Clinical Data Management & SAS – Fulltime – 6 months
- Post Graduate Diploma in Clinical Trials Management for Medical Practitioners – 6 months

New batch for the clinical research programs mentioned above would commence from 24 January 2011 at Chennai.
