The organization of the workshops on Clinical Research should be jointly organized between Pharmaceutical Society of India (PSI) and NUDPS Alumni Association research. In order to make these workshops and courses more interactive an industry oriented, participants from other cities and Pharmaceutical industry should be encouraged to participate

Our Society will accept the proposal with the following conditions:-

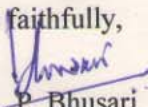

1. Cliniminds should pay Pharmaceutical Society of India, annual certification fee of 150/- per Students.
2. Cliniminds should offer programs at subsidized rates to the members of the Society.
3. Cliniminds should contribute a 25% of the seminar profits towards the grant for the PSI's activities.
4. This approval is valid till July 2012.

We accept your proposal for the extension of this arrangement. All certificates of Cliniminds would carry the logo of Pharmaceutical society of India as a proof of PSI's approval and certification of the programs.

Enclosed is the list of approved programs.

Thanking you.

Yours faithfully,

Dr. K. P. Bhusari
President
