Tenet Health Edutech Pvt. Ltd. Signs Technical Collaboration with Mahatma Gandhi University for Clinical Trials & Healthcare Programs

Tenet Health Edutech Pvt. Ltd., India's largest Clinical Research Institute - Cliniminds is pleased to announce the Technical Collaboration with the prestigious UGC recognized Mahatma Gandhi University (MGU) to offer clinical research and healthcare education and training programs.

Under this collaboration, Tenet Health Edutech Pvt. Ltd through its training arm Cliniminds would offer job oriented graduate and post graduate programs of prestigious Mahatma Gandhi University (MGU). Degree would be awarded by MGU. Tenet Health Edutech Pvt. Ltd. would also be offering several job oriented certificate programs under the collaboration.

These programs would create a world class workforce for the rapidly growing clinical research and healthcare industry. Mr. Kamal Shahani, Managing Director, Cliniminds & Tenet Health Edutech Pvt. Ltd. said "collaboration with the prestigious MGU would add more credibility to the programs already offered by Tenet Health Edutech Pvt. Ltd., and collaboration would more value for the students".
