## Seminar on career opportunities in clinical research

KTVR Vijaydeepa Group and Cliniminds organised the Launch of Cliniminds in the city recently

KTVR Vijaydeepa Group and Cliniminds organised the Launch of Cliniminds Coimbatore Centre followed by a seminar on "Career Opportunities in Clinical Research" on 14-Aug-2010 at Sree Purandharadasar Hall, R S Puram, Coimbatore - 641 002. Cliniminds ([www.cliniminds.com](http://www.cliniminds.com)) is India's largest and one of the most respected Clinical Research education and training institutes in the world, headquartered at New Delhi. Cliniminds would offer wide range of job oriented training and educational programs with strong placement support. Students from Medical, Dental, Veterinary, Pharmacy, Physiotherapy, Nursing, Biotechnology, Biochemistry, Microbiology, Homeopathy, Ayurveda, Siddha and BSc, MSc graduates with Life Science background are ideal candidates for these unique courses. KTVR Vijaydeepa Group ([www.ktvr.com](http://www.ktvr.com)) has entered into an agreement with Cliniminds to provide its classroom and e-learning courses in Clinical Research throughout Tamil Nadu & Puducherry. In addition to the Coimbatore centre, KTVR Vijaydeepa Group will also open a Cliniminds centre in Chennai shortly.

Er V Loganathan Managing Director, Vijaydeepa Constructions (P) Ltd and Secretary KTVR Knowledge Park for Engineering and Technology, delivered the welcome address. Dr V Janarthanan, Senior Surgical Consultant & Managing Director, KTVR Group Hospital, delivered the Presidential

address. Dr J Vijay Venkatraman, Consultant Diabetologist, Diab-at-ease Klinik at KTVR Group Hospital and Head, Cliniminds Tamil Nadu & Puducherry, spoke about the special features of the courses offered by Cliniminds such as paid industry internships, videoconferencing lectures, scholarship programs are offered for the deserving students and tie-up with HDFC Bank for educational loans. He further stressed that genuineness and long-term focus were two qualities that Cliniminds shared with KTVR Vijaydeepa Group and were the reasons for them to choose each other as partners.

Other dignitaries who presided the function include Mr Kamal Shahani Director of Cliniminds from New Delhi, Dr J S Bhuvaneshwaran Medical Director - Specialities & Head of the Department of Cardiology PSG Speciality Hospitals, Mr U K

Ananthapadmanabhan President Kovai Medical Center & Hospital, Dr M Ramanathan Principal PSG College of Pharmacy, Dr Vikram Kukkadi Clinical Safety Monitor Abbott Healthcare Pvt Ltd, Dr. S. Sundaramurthy, Consultant Paediatrician & Director, KTVR Group Hospital proposed the vote of thanks.

During the inaugural function, Dr J Vijay Venkatraman and Mr Kamal Shahani exchanged copies of the Memorandum of Understanding between KTVR Vijaydeepa Group and Cliniminds, soon after the Coimbatore Centre was inaugurated by all the dignitaries on stage by lighting the lamp.

The inaugural function was followed by a seminar on "Career Opportunities in Clinical Research" by Mr Kamal Shahani.
